## PROGRAMMER

 tunratorn@gmail.com  
 Bangkok, Thailand  
 096-645-5319

## PROFILE

My background combines both graphic design and programming, giving me a strong understanding of user experience alongside system logic. Through hands-on experience, I discovered a strong passion for programming and chose to focus my career path on software and web application development. I am highly interested in a Programmer position where I can apply my technical skills to develop efficient, scalable solutions while continuously improving my expertise and contributing to the success of the organization.

## SKILLS

JavaScript	Codeigniter	PHP	Node.js
Jquery	Laravel	HTML	Mysql , SQLServer
Bootstrap	Nuxt.js	CSS	Graphic design
